MANCHESTER – BOSTON REGIONAL AIRPORT
MANCHESTER, NEW HAMPSHIRE**

The Department of Aviation will accept Prequalification Statements from contractors interested in bidding on the Runway 24 Safety Area Improvements construction project at Manchester-Boston Regional Airport.

X Runway 24 Safety Area Improvements

This project consists of upgrades and improvements to R/W 6-24 east end Runway Safety Area (RSA), to meet current FAA Standards for runway ends. Work will include realigning South Willow Street and Harvey Road, excavation, drainage, replacement of base materials, utilities, navigational systems, paving, lighting, signage, markings, and installation of EMAS (Engineering Materials Arresting System). Some construction work will be performed in conjunction with ongoing airfield operations. Construction is scheduled to begin in April-May 2007 with completion programmed for late 2007. The total construction cost for the RW 24 Safety Area Improvements is estimated at 8-10 million dollars. Contractors must demonstrate the financial capability and experience needed for this project.

Contractors must submit their prequalification package for this project by March 28, 2007. Only pre-qualified contractors will be allowed to bid on this project. Bid documents are expected to be available on April 4, 2007 with a mandatory pre-bid conference scheduled for April 6, 2007, at 10:00 am in the Airport Administration Office board room located on the third floor of the terminal building. The bid opening is currently scheduled for April 18, 2007, at 4:00 pm. Any subsequent changes to the bid date will not affect the prequalification deadline stated in this notice,

Product/Material suppliers and subcontractors are **not** required to file for pre-qualification.

Pre-qualification Statements for this project will be accepted at the office of Engineering & Planning, Manchester-Boston Regional Airport, 6 Industrial Drive, Suite 2, Londonderry, New Hampshire 03053, ATTN: Gwen Arenella - until March 28, 2007.

Copies of the required Pre-qualification Statement Forms may be obtained by contacting Gwen Arenella at the office of Engineering & Planning, phone # 603-628-6211 ext. 500, e-mail – garenella@flymanchester.com
