PASSENGER ACTIVITY UP AGAIN IN JULY

Positive Growth a Good Sign

The July Activity Report for Manchester · Boston Regional Airport revealed that passenger numbers were up compared to the same month last year. The airport welcomed 365,712 passengers during the month, a 0.8% increase over July 2006. Year-to-date, passenger activity is down 3.6%.

The report also shows that Manchester handled more than 15 million pounds of air cargo during the month, a slight increase over July 2006. Year-to-date, cargo activity is up more than 20%.

According to Acting Airport Director Michael F. Farren, “this is the second consecutive month that we’ve been able to report a positive growth in passengers; a strong indicator that the airport is rebuilding the air service lost in late 2005/early 2006. The three additional flights that Southwest Airlines added earlier this year are really having an impact. Preliminary numbers for August are looking good as well.”

What’s New at MHT?

- The airport is constructing a thirty-space “Cell Phone Lot” adjacent to the parking garage. Drivers will be able to wait in the lot until arriving passengers have deplaned, collected luggage and call to be picked up outside of Baggage Claim. Drivers must stay with their vehicles. The Cell Phone Lot not only provides a convenient place to wait for arriving flights, but also helps keep traffic moving smoothly in front of the terminal.
- J. Brian O’Neill has been promoted to Deputy Airport Director. O’Neill has served as Assistant Airport Director – Marketing and Public Relations since joining the airport in 1996.
