Job Description

Join our dedicated team at Manchester - Boston Regional Airport for the winter months.

Grade 13

General Statement of Duties

Performs a variety of maintenance, repair, and construction activities as well as safety and security duties on the field side of the Airport grounds. Candidate will be able to operate specialized heavy commercial equipment during snow removal operations and perform directly related work as required.

Note: Seasonal positions are 32-40 hrs/week and typically run from November through April. **Temporary** positions are on an as needed basis, including weekdays, nights and weekends, especially during weather emergencies.

Acceptable Experience and Training

- Graduation from High School or possession of a GED; and
- At least 1 year experience in general construction, excavation, heavy equipment operation, landscape work, custodial operations or general maintenance; or
- Any equivalent combination of experience and training which provides the knowledge, skills and abilities necessary to perform the work.

Required Special Qualifications

- Class B CDL; (Must obtain license within six months of appointment)
- On call status.
