ABOUT MHT

Strategically situated in the heart of New England, Manchester-Boston Regional Airport is located less than fifty miles north of Boston, Massachusetts, and less than an hour's drive from the region's most popular ski areas, extensive hiking trails, scenic seacoast beaches, and peaceful lakefront resorts.

MHT is New Hampshire's second-largest point of entry and connects travelers to over 250 cities. The Airport has won multiple travel accolades, including Best Domestic Airport by Travel + Leisure in 2023.
