LANDING FEE STRUCTURE

Type of Aircraft	Fee
All Non-Signatory* Aircraft greater than or equal to 9,000 lbs. MLW	\$12.38 per 1,000 lbs. MLW

**Non-Signatory defined as Aircraft Operators that have NOT entered into an agreement with the airport that defines their user fees.*

EXEMPT AIRCRAFT

- Aircraft owned by the US Government or official aircraft of the State Department of New Hampshire.
- Aircraft engaged in airlift services and firefighting services.

All billing and collection services will be handled by PLANE PASS® by Vector Airport Systems, a trusted third-party provider. Although FBO(s) will not be involved in the billing or collection process, attached is a FAQ document provided by PLANE PASS® that you may reference alongside operators.

If possible, **we ask that you add this note to your receipts:**

"Landing fees are invoiced monthly via PLANE PASS® and are separate from FBO fees"

We appreciate your continued partnership and support as we implement this important program. If you have any questions or would like to discuss this further, please don't hesitate to contact us.
